

WEST VIRGINIA RIVERS

Buckhannon River Fest Photo Scavenger Hunt

Instructions (for all ages!): Find the answers to the following questions. E-mail the correct responses and accompanying photos to wvrivers@wvrivers.org by **Friday, August 21 at noon**. **Don't forget to include your name, address and age category (Youth or Adult) to receive your prize!**

1. What waterbody is the City of Buckhannon's drinking water source?

Hint: <http://buckhannonwv.org/buckhannon-water-department/>

Bonus: Take a photo of this waterbody.

2. Name something that might pollute your drinking water?

Hint: <https://wvrivers.org/wp-content/uploads/2016/12/Citizens-Guide-to-SWPP.pdf>

Bonus: Take a photo of something that could pollute your drinking water

3. What type of pollution was found inside a whale's stomach?

Hint: <http://www.mountainlakespreservation.org/>

Bonus: Take a photo of yourself, a friend or family member recycling.

4. How does climate change affect our water?

Hint: <https://www.momscleanairforce.org/issues/climate-change/>

Bonus: Take a photo holding a sign stating how you will fight climate change.

5. What is one way you can help to protect and conserve water?

Hint: <https://www.buckhannonriver.org/links-just-4-kids-thanks-to.html>

Bonus: Take a photo showing how you help to protect and conserve water.

The Buckhannon River Fest Photo Scavenger Hunt winner will receive the grand prize and be crowned the 2020 April Pierson-Keating Water Warrior!

Conserving and Restoring West Virginia's Exceptional Rivers and Streams
